• Lalicup

## CERTIFICATES

- Biocompatible and FDA Approved silicon

## UNIQUE SELLING PROPOSITION

LaliCup menstrual cup that provides extra comfort and freedom during menstruation even for those women with heavy menstruation.

Bujaka Marketing d.o.o. was the first to launch a Slovenian menstrual cup and lead the way in the field of women's intimate care. Using different experiences of women as a reference, combined with expert advice, the highest quality materials and modern manufacturing processes, LaliCup - a cup for women with heavy flow - was created.

## TARGET PARTNERS
