UNIQUE SELLING PROPOSITION

Dana vitamin waters are an all-day vitamin dose in a unique TetraPak package that protects the vitamin content and maintains a suitable temperature for a long time.

The Dana company developed from one of the many distilleries in the Dolenjska region. Today, Dana is best known for her wide selection of soft drinks. All were prepared in accordance with the highest standards and respecting the wishes of the most demanding customers. Excellence is guaranteed by continuous improvements and modern, nature-friendly procedures.
